

Intern Duties

- Primarily preaching, 1 or possibly 2 sermons each week, as ability would allow. Our thought would be that if 2 sermons each week is too much that a pulpit exchange could be arranged allowing the intern to prepare one sermon and preach it once in Hills and once with one of the nearby URC congregations.
- Attend the monthly men's Bible study.
- Participate in our monthly Consistory and Council meetings.
- Do some visiting of the congregational shut-ins, elderly, sick, initially with an elder or deacon from the congregation and later, on his own, if he feels comfortable doing so.
- If interested/invited attend the monthly area URC ministerial meetings.
- Periodically attend community events as outreach to community (maybe once a month or so our Christian School or local community has events, picnics, or fund raisers which are usually family type events and could be attended along with elder, deacon, or other members of congregation.)
